Profile Summary

- **Academic and Institutional Leadership Professional** with **17+ years of progressive experience** across admissions strategy, institutional branding, academic governance, student development, and growth-focused education management.
- **Admissions, Branding & Outreach Strategist** known for using these functions as drivers of institutional growth, strengthening enrolment momentum, revenue contribution, market visibility, and long-term positioning across competitive education environments.
- **Institutional Growth Leader** with strong capability in strengthening admissions systems, scaling outreach networks, and building performance-driven teams that support sustained intake, brand visibility, and student engagement.
- **Academic Governance Contributor** bringing a blend of academic depth and market-facing execution, supported by curriculum direction, advisory roles, Board of Studies participation, rankings support, and wider institutional representation.
- **Research-Oriented Academic Professional** with 10+ published papers, 4 papers under review, 16+ conference presentations, 2 Best Paper Awards, and 2 editorial / advisory journal roles across HRD, talent management, knowledge systems, and higher education.
- **Thought Leadership Presence** maintained through participation in education summits, industry panels, webinars, and academic forums, reinforcing credibility in admissions strategy, branding, academic leadership, and higher education transformation.
- Award-Recognised Education Leader honoured with distinctions including **Telangana Best Business School Director – Admissions, Most Innovative Marketing Strategy Award, Emerging Leader in Higher Education**, and **Distinguished Faculty in Human Resources**.

Academic Details

Ph.D. | 2019

Jawaharlal Nehru Technological University Anantapur (JNTUA), Andhra Pradesh

MBA | 2008

Jawaharlal Nehru Technological University (JNTU), Hyderabad

B.Sc., Mathematics, Physics & Chemistry | 2006

Sri Venkateswara University, Tirupati

Work Experience

Mar' 2024 – Present

**Vishwa Vishwani Business School, Hyderabad |
Director of Admissions**

KRA:

- **Steering the admissions strategy** for flagship management programs, translating institutional vision into stronger intake planning, market reach, and enrollment direction.
- Shaping a more strategic admissions engine by **refining conversion models, counselling frameworks, and applicant decision pathways** to support sustained growth.
- Expanding the institution's recruitment landscape by building deeper linkages with feeder institutions, consultants, schools, and outreach ecosystems across priority markets.
- Driving a **brand-led growth agenda** by integrating admissions strategy with digital visibility, campaign planning, website effectiveness, and content-backed market presence.

Career Timeline

Select Career Highlights

- **Academic & Advisory Engagements**
 - Member – Board of Studies (Management Studies)
 - Sreyas College of Engineering
 - KG Reddy College of Engineering,
 - Narasimha Reddy College of Engineering.
 - Contributed to academic discussions on curriculum transformation aligned with **National Education Policy (NEP) 2020** through invited faculty-development and knowledge-sharing engagements.
 - Expert Advisory Member for the B.A. Program at SGT University
 - Academic Council Member at KG Reddy College of Engineering & Technology
 - Strategy & Execution Core Committee and Monthly Spotlight Awards Committee at KG Reddy College.
- **Leadership, Innovation & External Representation**
 - Nodal Officer, Study in India Program (Ministry of Education, 2021–2024).
 - President, Entrepreneurship Development Cell (Nov 2021-23).
 - Advanced Level Certified Institute Innovation Ambassador, MHRD–IIC Innovation Cell.
- **Industry Collaboration & Student Development**

- Strengthening decision-making discipline through CRM-enabled pipeline tracking, admissions analytics, and review mechanisms that are improving execution control and conversion focus.
- Building a **more performance-driven admissions function** by sharpening team capability, role ownership, service standards, and stakeholder engagement quality across the department.

Achievements:

- Delivered a **20% increase in institutional revenue during the academic year 2025–26** by strengthening admissions performance, improving conversion focus, and aligning outreach efforts with growth priorities.
- Drove an **18% YoY increase in institutional revenue (2024–25)** by aligning admissions execution, campaign focus, and intake strategy more closely with growth priorities.
- Accelerated admissions momentum across **PGDM, MBA, BBA, and BS-CS programs** by delivering a **35% rise in qualified applications** and a **25% growth in enrolments** within two cycles.
- Expanded digital traction by contributing to a **300% increase in online reach** through SEO, webinars, influencer tie-ups, and paid campaign-led visibility initiatives.
- Built a wider and more sustainable applicant pipeline by developing linkages with **1,500+ feeder institutions, consultants, and schools** across target markets.
- Strengthened decision control and team productivity by introducing **Merritto-based dashboards** for real-time lead tracking, counsellor monitoring, and enrolment analytics.
- Reduced new-hire ramp-up time by **40%** through structured onboarding and training interventions for admissions team members.
- Strengthened the admissions ecosystem through **25+ MoUs** with consultants, feeder schools, and community partners to widen institutional reach and access.
- Improved digital brand equity through **40% higher qualified traffic**, stronger engagement visibility, and improved recall across key target audiences.
- Contributed to stronger external positioning by supporting the institution's rise into the **Top 10 B-Schools in Hyderabad** through rebranding, outreach, and thought-leadership efforts.

Feb' 2021 – Apr' 2024

KG Reddy College of Engineering and Technology, Hyderabad | Dean – Admissions & Brand Building

KRA:

- Front led the **admissions growth strategy** for MBA and Engineering programs, aligning intake planning, market coverage, and conversion priorities with broader institutional expansion goals.
- Maximized revenue realization by driving sharper seat-fill planning, improving lead-to-admission movement, and tightening focus on high-potential intake channels across admission cycles.
- **Built and led the admissions and marketing team** by setting clearer performance direction, mentoring execution capability, and creating a more accountable, results-oriented working rhythm.
- **Revamped the marketing engine** through integrated digital, on-ground, and campaign-led initiatives, strengthening inquiry generation, applicant traction, and brand visibility in a competitive education market.
- **Improved service excellence** across the admissions journey by refining counselling flow, response quality, follow-up discipline, and applicant experience from inquiry stage to final enrolment.
- Strengthened institutional reach through territory-led outreach, school-connect efforts, and relationship-based engagement with students, parents, and external stakeholders across target markets.
- Enhanced **decision-making control** by bringing stronger structure to admissions workflows, funnel monitoring, and team-level execution review across high-volume intake operations.

- Resource Coordinator – Andhra Pradesh State Skill Development Corporation (APSSDC)
- Nodal Officer for rankings with India Today, Times of India, and Career360
- Designed and implemented Campus-to-Corporate training modules to strengthen student employability.
- **Research Recognition & Editorial Contributions**
 - Best Paper Awards – International Conference (Nellore, 2018) & Annamalai University (2011)
 - Question Paper Setter for reputed AP & Telangana universities
 - Technical Advisor, Indian Journal of Advances in Chemical Science – Yogi Vemana University
 - Associate Editor, 6MS Journal of Management (since 2010).
- **Academic Outreach**
 - Resource Person, UGC – Academic Staff College, Sri Venkateswara University

Certifications & Executive Education

Faculty Development Programme (Digital Marketing)

Infosys Mysore Headquarters | 2024

 - **2022–23:** Improved to 94% admissions achievement
 - **2023–24:** Further elevated to 98% admissions achievement
- Played a central role in enabling the college to achieve its **highest-ever admissions-linked revenue**, earning formal appreciation from management for strategic execution and commercial impact.
- Improved brand visibility and market traction through sustained outreach, rankings support, and digital growth initiatives, contributing to stronger recognition across platforms such as **Career360, India Today, Times of India, and key social channels.**

Jun' 2019 – Feb' 2021

Institute of Aeronautical Engineering, Hyderabad | Dean – Entrepreneur Leadership & Brand Building | Asst. Professor

KRA:

- Directed the institution's brand and visibility agenda, sharpening external communication, strengthening market presence, and aligning outreach with broader institutional positioning goals.
- Owned the **institution's branding and EdTech-led communication** charter, driving stronger alignment across digital platforms, engagement channels, and stakeholder-facing content.
- Reengineered the website and related communication assets to create a more contemporary, user-friendly, and brand-consistent institutional presence.
- Led integrated **outreach initiatives** across ATL, BTL, digital, direct, and PR-led campaigns to expand audience reach and improve recall in a competitive education market.
- Carried **parallel academic and governance responsibilities** as NBA Coordinator for PG Programs, Member – Board of Studies, Class In-charge, and Departmental Coordinator, extending contribution beyond branding into quality and academic support systems.

Achievements:

- Transformed institutional brand communication over a **20-month tenure** by improving digital presence, refining user-facing assets, and creating a stronger external positioning framework.
- Broadened leadership contribution by holding parallel responsibility across branding, accreditation support, academic coordination, and Board of Studies participation within the same tenure.

Jul' 2012 – Jun' 2019

Mohan Babu University (Vidyanikethan), Tirupati | Training Officer & Assistant Professor

Subjects: Managerial Communication, HRM, MIS, Business Research Methods, Employee Legislation, Reward Management, Management Theory & Practice, Managerial Economics, ERP, Recruitment & Selection, and Change Management

KRA:

- **Balanced dual responsibility** across academics and training by teaching management subjects while driving student development initiatives focused on employability, communication, and industry preparedness.
- **Shaped training interventions** for MBA and MCA students by identifying capability gaps and translating them into structured workshops, learning modules, and development-focused programs.
- **Strengthened the student-readiness ecosystem** through active involvement in placement-oriented preparation, professional grooming, and practical exposure initiatives linked to career progression.
- Supported **institutional academic quality** through curriculum contribution, student mentoring, and classroom practices that connected conceptual learning with business and workplace relevance.

- Extended contribution beyond classroom and training responsibilities through involvement in HR Club initiatives, techno-cultural activities, website coordination, and broader student-development platforms.

Achievements:

- Contributed to a more structured **training ecosystem for MBA & MCA students** across a **7-year span**, translating identified skill gaps into targeted readiness and development interventions.
- Became a **go-to faculty contributor** for Coordinator-level responsibilities across student development and academic support initiatives, expanding role value beyond routine teaching and training.

Sep' 2008 – Jun' 2012

Padmasri Dr. B.V. Raju Institute of Technology, Hyderabad | Assistant Professor

Subjects: Management Theory & Practice, Managerial Economics, MIS, ERP, Recruitment & Selection, Change Management, and HRM

KRA:

- Led **delivery of core management subjects** across undergraduate and postgraduate programs, strengthening concept clarity, classroom engagement, and application-led learning for management students.
- **Supported academic planning** through curriculum inputs, assessment coordination, and classroom process alignment, contributing to stronger teaching consistency and program effectiveness.
- **Mentored students** on academic projects, presentations, and progression-related needs, helping improve confidence, participation, and overall learning involvement.
- Took up visible campus responsibilities as **Conference Coordinator, Event Coordinator, and Initiator & Editor**, contributing beyond academics to student engagement and institutional activities.

Achievements:

- Raised departmental visibility through contribution to high-impact institutional platforms, including ***Prayukti 2010 and the 6Ms magazine***, strengthening academic culture and student connect.
- Earned **recognition as a high-involvement faculty contributor** by combining classroom responsibilities with student-facing initiatives and broader departmental support.
